Dr. Amal Alkout serves as an Of Counsel in the Group. She began her legal journey with a Bachelor of Laws degree from Kuwait University in 1994, followed by a stint at Taher Group Law Firm from 1997 to 2000. Thereafter, she transitioned to the public sector. In 2003, she earned a master's degree in administrative law from Kuwait University and later obtained her doctorate degree in investment law and Public Private Partnerships in 2016.

Dr. Alkout has accrued experience across various prominent institutions in Kuwait. She worked at the National Bank of Kuwait from 1991 to 1992, served as a legal researcher at the Ministry of Higher Education from 1996 to 1997 and from 2000 to 2004. Subsequently, she was promoted to Head of the Department of Consultations and Investigations for the Department of Legal Affairs (2004 -2008). Later, she ascended to the role of Head of Administrative Research, Audit, and Consulting (2008-2011). In 2011, she joined the Civil Services Bureau as a Supervisor of Employment Affairs. Currently, she plays a pivotal role as a Supervisor in the Financial Investigation Unit for Money Laundering.

She is also a permanent authorized agent designated by the President of the Court, tasked with publishing the developments of the administrative legislation of independent and governmental bodies. Dr. Alkout holds a certified training certificate and has imparted her knowledge through numerous lectures and courses at the Civil Services Bureau to independent and governmental bodies.

Dr. Alkout's expertise lies in the field of investment and public-private partnership sectors, where she has offered significant legal consultation to leading institutions in Kuwait. She excels in public-private partnership, contributing to the organization of legal frameworks for investment opportunities for local, regional, and international companies. Her profound experience has been instrumental in driving private sector participation in Kuwait's construction and development projects, managing pre-qualification documents for investing companies, and fostering sustainable development.

Dr. Alkout's deep understanding of administrative law, public service, administrative authority, administrative contracts, and administrative cases in general, makes her an invaluable asset.
