Dr. Mahmoud Melhem is a legal consultant specializing in international and commercial law. He serves as a lecturer in civil law at the University of France, a visiting professor at the Public Authority for Applied Education and Training, a lecturer at Kuwait International Law College, and a legal advisor specializing in civil law, obligations, contracts, and general insurance. Dr. Melhem holds a Master's degree in Private Law from Perpignan University, Montpellier Academy in France, and a PhD in Civil Law with the right to lecture. His academic qualifications include a Bachelor's degree in Law and a degree in Philosophy, with honors, from the Lebanese University. Dr. Melhem has published numerous articles and research papers in peer-reviewed scientific journals, participated in esteemed international conferences, and chaired several scientific conferences, including a conference on the impact of the COVID 19 pandemic on legal relations at Kuwait International Law College. He also co authored the second volume of Evidence Law, focusing on electronic signatures, in collaboration with Dr. Mahmoud Al-Maghrabi. This work, approved by the academic committee, has been incorporated into the curriculum since 2020. Additionally, Dr. Melhem has supervised several master's theses in France and Kuwait.
