Ms. Kanwal Saleem serves as the Head of Training at Taher Group Law Firm. With an academic background in education and leadership, Ms. Saleem brings a progressive vision to the firm's training and development initiatives. She oversees the design and implementation of specialized training programs for professionals across legal, corporate, and governmental sectors. Her work bridges the gap between academic excellence and practical application, ensuring that all training aligns with the highest standards of professional growth and institutional development. Through her role, she supports the firm's commitment to continuous learning and capacity building within the legal field and beyond.
